# Happy Birthday to Us

Lake Arrowhead Rotary Celebrates  
It's 57th Birthday

# President's Corner

Greetings Fellow Rotarians:

Fall is definitely here and in the world of Rotary October is *Vocational Service Month*. Simply defined by RI, Vocational Service refers to Rotarians serving others through your vocations and practicing high ethical standards in all your business practices. When professionals join a Rotary club, you do so as representatives of your particular business or profession. This gives Rotarians the dual responsibility of representing your vocation within the club and of exemplifying the ideals of Rotary within your workplace. By participating in any of a number of vocational service activities — mentoring, career days, vocational awards, business assistance, or even talking about your job at a club meeting — you can turn your experience into an invaluable resource for others.

We will recognize Vocational Service early this month by hosting our annual New Teacher's Luncheon at The Resort. This year twenty new RUSD school teachers join the ranks and we want to be among the first to welcome them to our community.

At the same meeting, we will celebrate the anniversary of our Club. Sponsored by the San Bernardino Rotary Club, our Club was chartered September 26, 1949. Lake Arrowhead Rotarians have now been proudly serving the mountain communities with dedication for 57 years.

In the past few months I've spoken often about the need to increase our membership and strengthen our club during this Rotary year. Our goal is to net ten new Rotarians. Just a few weeks ago we were feeling very good about inducting our three newest members---George Remisovsky, Robert Moon and Gary Johns. We welcome George, Robert and Gary and look forward to working and socializing with them.

But then, our fourth prospective new member withdrew his application and about that same time we lost two other seasoned members, Donna Kehrer and Jay Holguin. Donna had to resign due to the *fortunate* success of her new television series, *Nana's Cottage*. Jay left us after selling his business and moving from the mountain.

A familiar story....three steps forward, two steps back. The perfect example for why we all need to continue to be diligent in our efforts to recruit new members to the Club. To net ten we'll likely need fifteen or more new Rotarians. The Membership Committee, chaired by Dave Malmberg next meets on October 10<sup>th</sup> after our regular meeting. Contact Dave with your ideas or stop by the meeting on the 10<sup>th</sup>.

Look for announcements on Rotary Centennial Park, news of an upcoming Membership Event, Art & Wine progress reports, the November 18th District Foundation Gala (mark your calendars) and other events that are in the works. All that and the opportunity drawing is now at \$200 and climbing.

Hope everyone has a great October!

YIRS,

Ron

## Club News

There was a great turnout for reading to the school kids at Grandview Elementary. Over twenty Rotarians showed up to enjoy a catered lunch and to read to the children. School administrators always enjoy our contribution of books and time.

Thanks to **Harry Sherman** who represented our club at the Meals on Wheels dinner. Harry was there to present a check for \$500 to support this worthwhile effort.

Thanks to **Lacy Kelly** for her outstanding leadership in her capacity as Chair for Rotary Centennial Park and her role as Director of Children's Forest. And while we're at it, congratulations to Lacy on her recent promotion.

**Ron Green, Christ Trulove** and **Harry Sherman** attended the District 5330 Foundation Seminar recently at Crafton Hills College. There is always something new to learn at these informative District training sessions. Harry is the Foundation Chair and during November he will be sharing information learned at the Seminar. November is "Foundation Month", and Harry will provide information about how our club can become more involved in Foundation activities.
