February 2007

*Happy Valentine Days!!*

## President's Corner

Greetings Fellow Rotarians:

February is World Understanding Month. And what better time to acknowledge our Club's international efforts to help our fellow man in widespread locations around the world. I would like to acknowledge and thank International Service Chair John Lorenz for his efforts in selecting and organizing this year's projects.

I am proud that the members of our Club have been so eager and willing to support our international goodwill projects monetarily, in spirit, and now with personal hands-on volunteer efforts.

This month, partnering with Joe Watson and members of Mountain Sunrise, a large contingent of Lake Arrowhead Rotarians, spouses, family members, Interactors and friends will travel to Tecate, Mexico to help build two houses. This act of goodwill and kindness will be a fulfilling experience for all who attend and will undoubtedly change the lives of our two recipient families forever. Everyone is invited to come along.

Our water well project with Kakamega Rotary Club in Kenya is taking shape through matching grant applications with District 5330 and Rotary International. Our local contact, Dave Hansen, returned from a recent trip to Kenya to update his progress and share pictures of recent well-drilling projects that, once again, will change forever the lives of thousands of men, women and children in that territory.

In other efforts, our Club continues to help support St. Jude School in Tanzania, East Africa and also to supply wheelchairs to people around the world who are unable to walk. In the U.S., some Club members will travel to Pass Christian, Mississippi in March to help fellow Rotarians rebuild following the devastation of Hurricane Katrina. All of our own projects identified above are typical of what Rotarians around the world do every day. We should all be very proud to be members of such an exceptional service organization.

In this month's Rotarian magazine RI President Bill Boyd says, "Poverty, as we know too well, is a tremendous obstacle to peace and stability. So, every intelligent act of generosity, every project that helps others to lead better lives, is also an act of hope. We Rotarians share the belief that love for others does make a difference. Each small act of kindness, from one human being to another, brings us closer to each other and to the kind of world we hope to leave to our children".

He closed his essay with these words: "We may think we are only helping to equip a school, supply a clinic, or build a well for a faraway community. But in truth, what we are doing is helping to build a better, more stable and more peaceful future."

Finally, February 14<sup>th</sup> is Valentine's Day. Be it with a card, flowers, candy, or something else, don't forget to love the one you're with! Talk about ensuring a peaceful future!

YIRS,

*Ron*
